The Richard “Todd” Penland Memorial Scholarship *for Fastener Training Week*

Presented by Eurolink Fastener Supply Service

This annual scholarship, founded in 2026 by Craig Penland, president & CEO of Eurolink Fastener Supply Service, honors Craig’s late brother, Todd. The scholarship supports education and development of future fastener industry professionals through Fastener Training Institute’s Fastener Training Week.

The scholarship aims to help those committed to growing within the fastener industry and who will benefit greatly from the training opportunity. Financial constraints or limited employer support for training are added reasons for consideration.

- Applications are due by September 15.
- The recipient will be notified by mid-October.

Questions: info@fastenertraining.org

The scholarship covers the cost of tuition for a current or following year Fastener Training Week.

“ My hope is that this scholarship honors Todd’s legacy by helping develop the next generation of fastener professionals. Todd believed strongly in relationships, hard work, and helping people succeed, and I think this is a fitting way to carry that forward. ”

— Craig Penland, brother of Todd
